

2025 Double Play Donations Request Process

Thank you for participating in the Double Play Donations program! Here's how the matching gift process works:

1. The player or a representative completes the online request form on DonationX, ensuring it aligns with the Player's status.
2. The Trust contacts the Player to verify the request after submission.
3. Requests are reviewed monthly. Submissions after the 15th are processed by the end of the following month (pending approval).
4. Players receive email updates when requests are received and processed.
